HEALTH AND WELLNESS SUITES

WEEKLY UPDATE

January 27, 2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. Our historical cases are five staff and one resident who tested positive.

Williamson County & Cities Health District (WCCHD) reports the rate of positive COVID-19 cases is at **15.8%**. We continue to work diligently to keep everyone within our facility safe. Screening protocols (temperature, symptom-free, and no recent travels or exposure to COVID-19) and the core principles of COVID-19 infection prevention: hand hygiene – washing for a minimum of 20 seconds; and use of face coverings or masks that cover the mouth and nose:

- All visitors will be screened-in;
 - Masks, and/or goggles/face shields are required during visits, and will be provided by the facility;
- All visitors, while in the facility, are required to keep their masks covering their noses and mouths.
 - If, at any time, a visitor is witnessed w/their nose and/or mouth exposed, they will be asked to leave – there are **no exceptions** to this policy.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 737-757-3100.

Sincerely,

Chris Alcala
